

# God's Great Love

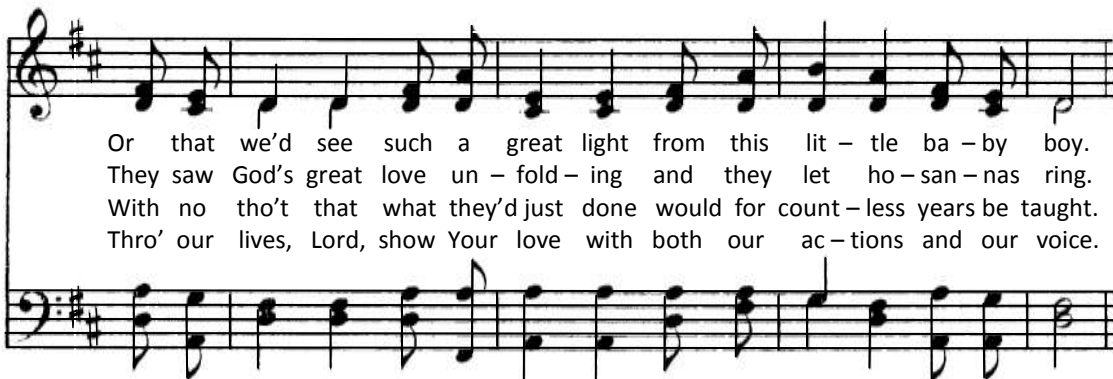

1. Thank you, God, for send - ing Je - sus to re - deem us from our sin.  
2. It was on a near - by hill - side that an an - gel did pro - claim  
3. From the East there came the Ma - gi as a star had guid - ed them.  
4. Help us, Lord, to see more clear - ly Your light dai - ly on our way.

Born to Mar - y, yet a vir - gin, in a sta - ble low and dim.  
To some shep - herds, "Hal - le - lu - jah! Christ the Lord, that is His name."  
At the end of their long jour - ney, they did fin - 'ly come to Him.  
O like Mar - y to be faith - ful and the shep - herds to o - bey;

In the midst of such a dark night, who could know how full our joy  
In the man - ger as was told to them, shep - herds look'd up - on the King.  
And the wise men gave to God's Son all the pre - cious gifts they'd brought,  
Like the Ma - gi to keep seek - ing and the an - gels to re - joice.

Or that we'd see such a great light from this lit - tle ba - by boy.  
They saw God's great love un - fold - ing and they let ho - san - nas ring.  
With no tho't that what they'd just done would for count - less years be taught.  
Thro' our lives, Lord, show Your love with both our ac - tions and our voice.
